THE WAY THINGS ARE RIGHT NOW...TRUTH EVADES EVEN THE SMARTEST OF US AND CONSPIRACY RUNS RAMPANT WITH EVERY NEW POST ONLINE - JUST LOOK AT TIKTOK AND YOU'LL FIND HOURS OF CONSPIRACY THEORIES RIPE FOR THE PICKING. BUT IN ALL OF THIS, THERE IS ONE, SIMPLE, BEAUTIFUL PIECE OF RED STRING TYING IT ALL TOGETHER - PEOPLE JUST WANT COMMUNITY. HUMANS LONG FOR CONNECTION IN MOMENTS OF DIVISION OR DOUBT. WE LONG TO FIND OTHERS WHO LISTEN TO US, SHARE IN OUR BELIEFS, AND WHO SUPPORT US IN OUR DEEPEST OF DEPRESSIONS TO THE HEIGHTS OF OUR SUCCESSES. MY WIFE AND I WANTED TO WRITE SOMETHING THAT DIVE HEAD FIRST INTO THE IDEA OF BELONGING AND HAVING A PLACE TO BE YOURSELF. AND AS A DIRECTOR, I SAW SO CLEARLY HOW TO CREATE A WORLD IN WHICH THAT WAS POSSIBLE - TO SHOW THESE CHARACTERS WITHOUT JUDGEMENT. THAT'S REALLY IMPORTANT RIGHT NOW, ESPECIALLY AS WE WANDER INTO ANOTHER TIME OF EMOTIONAL, POLITICAL, AND SOCIAL INSECURITY. I WANT TO MAKE PEOPLE SMILE. I WANT US TO COME TOGETHER, THINK A LITTLE AND LAUGH A LOT, CHEER FOR THE UNDERDOG, GIGGLE AT THE WEIRD STUFF WE DO, AND MAYBE TEAR UP OVER LOVE AND REDEMPTION! AND I THINK NOW IS A REALLY, REALLY GOOD TIME FOR ALL OF THAT.

Wilmington's  
King Creative  
collaborates  
on feature film

Wilmington-based media company King Creative has collaborated with New York-based production studio Uncultured Swine to produce a full-length feature film entitled *The Conspiracists*, which will be shot entirely in Delaware. Production for the film will run November 1-11; its release is anticipated in early 2025.

Uncultured Swine co-founders and film executive producers Beatriz Naranjo and Eddie Layfield (a Delaware native) connected with King Creative owner Christopher Bruce on the project, bringing Bruce on as an executive producer. The film's production operations will be based out of King Creative's offices at 727 N. Market Street in Wilmington. *The Conspiracists* is one of the first projects to be eligible for a tax rebate via the Delaware Motion Picture and Television Development Commission (see main story).

"After hearing the pitch and feeling [their] passion, I saw the vision right away and knew we could help make it happen," Bruce says of their partnership. "Delaware needs this, and we were just crazy enough to be the ones to do it!"

*The Conspiracists* is a mockumentary written by Michael Perrie Jr. and Lacy Reily. In a style reminiscent of classics like *Best In Show* and *Waiting for Guffman*, this film uncovers the world revolving around conspiracy theories.

Delaware native and Broadway actor Terrie Lynne Goins stars as protagonist Daisy Sureloc in a tale of two siblings' dreams of creating an all-inclusive conspiracy convention. When those efforts begin to unravel, it's up to one of them to put the pieces back together while the other strives to uncover a deeper conspiracy in play.

Delawareans will enjoy seeing notable local landmarks included in the film like the Hotel du Pont and The Grand Opera House, as well as local businesses like Precious Paws of Elsmere, Delaware Tire Center, and the Siegel JCC (where the conspiracy convention takes place). Bruce also hints at celebrity cameos.

"This wouldn't have been possible without the involvement of Christopher Bruce being my right hand through this fast-paced pre-production phase," said Naranjo.

Both Uncultured Swine (@unculturedswine.ig) and King Creative (@kingcreativellc) social channels will be providing behind-the-scenes reveals and content related to the making of the film.

"We're excited to promote the film scene in the great state of Delaware, while celebrating the community and promoting local businesses along the way!" said Naranjo and Layfield. "We hope to continue to bring more stories and opportunities to Delaware in the future."
